## PARENTAL PERMISSION AND RESPONSIBILITY

I understand that Indiana County Camp Cadet, Inc. may accept my child to attend camp on the basis that I/WE have agreed to assume all risks arising from participation in said camp. I/WE, the Parent/Guardian of \_\_\_\_\_, understand that the Indiana County Camp Cadet program is a physically demanding and intensive program. I also understand that during the course of the week all Cadets participate in various activities which may be hazardous, such as shooting firearms, extinguishing fires, rappelling, etc. Although all Indiana County Camp Cadet staff members and presenters take every precaution to ensure the safety of your child, there is a possibility that your child may be injured while participating in any of these various activities. By signing this form, I acknowledge that I give my consent to his/her participation in this program and assume all risks or claims of damage of any nature or kind which my child could receive by reason of accident or injury while attending this program. Dear Parent or Legal Guardian:

Indiana County Camp Cadet, Inc. operates a week-long camp each year offering the youth of our area an opportunity to experience what a career with the Pennsylvania State Police, the military, fire, or emergency medical services might be like. The program provides the candidate an excellent opportunity to experience and develop an understanding of what the Pennsylvania State Police and related emergency services do for the community.

To memorialize the event, our camp counselors and various volunteers will be taking still and video photographs of the camp cadet candidates throughout the duration of the program. At the conclusion of the camp, a memorial video summarizing the events of the camp, which may include video depicting all camp members during their activities, may be created.

It is necessary to secure the consent of the parents for use and appropriation of the name and photograph of these children, so that the video can be prepared and the images of the camp cadet candidates may be used for future advertising purposes. Success of the program is highly dependent on how well it is advertised to future candidate classes. Therefore, it is necessary for us to secure your consent on behalf of the minor camp cadet candidate to use in appropriation of their name and image. Attached to this letter is the consent form which must be completed prior to your child's enrollment in the Indiana County Camp Cadet Program.

Yours very truly,

Indiana County Camp Cadet, Inc.  
Board of Directors
